

TEXTBOOK BUYING ALTERNATIVES

ONLINE TEXTBOOK RENTALS

Renting textbooks online is another way of obtaining books for your classes.

Many online textbook rental companies offer new and gently used textbooks that can save you money.

We encourage you to check out textbook rental sites and just want to remind you of a couple of important things:

You may need to have a credit or debit card to participate.

The books are "used" and may have highlighting, notes in the margins, etc.

Any rental agreement you make is between you and the rental company.

Marian Court College is not responsible for any agreement you make with an online textbook rental company.
