

Marian Court College – ASSOCIATE DEGREE Liberal Studies

THE LIBERAL STUDIES program provides students with the core classes and credits required for transfer to a four-year college. The program is designed to give students a broad-based knowledge in humanities, social science, and business. This program was developed to give student the flexibility to transfer to a four-year college in a wide variety of majors.

TRANSFER OPPORTUNITIES

The Associate in Science in Liberal Studies provides students with a strong foundation in the liberal arts, analytical skills, and general education courses. These subjects provide students with the opportunity to:

- ▶ Transfer to a four-year college or university to pursue a baccalaureate degree in a related program of study. Marian Court College has many transfer agreements with public and private four-year colleges and universities.

PROGRAM OUTCOMES

In addition to general education outcomes, graduates of the program will:

- ▶ Demonstrate a strong foundation in general education, functional areas, and technical knowledge for academic success in upper division courses at four-year colleges and universities.
- ▶ Possess the knowledge, awareness, and appreciation of all aspects of a general educational academic experience, including competency, cognitive skills, ethical principles, human diversity, and quantitative concepts and methods.
- ▶ View education as a lifelong process.
